Monday's Referee Shirt of the Day – NONE

Thank you, thank you, thank you for being here these past 12 days. We've gotten some great compliments about your work. YOU ARE THE BEST!!!

I cannot begin to thank everyone enough for all the work that's been done, from the assignors, the office staff, the lead refs, the championship staff, equipment, the computer staff and the scoresheet helpers. But most of all, we cannot do this without you, the REFEREES!!

TRANSPORTATION

If you need a ride to the airport on **Monday June 27** or a ride from the airport to the hotel, you can text:

Fernando Ortiz – 787-564-3148

Felix Sepulveda – 407-988-8701

These are a couple of local referees who will pick you up at the hotel and take you to the Orlando airport for a fee of \$20 (cash or Zelle app). Text them well in advance to reserve your spot. This offer is only good for Monday June 27.

MANDATORY MEETING for ALL REFEREES working the BOYS SESSION

Don't forget that all referees working the boys session are expected to be at the mandatory meeting on Monday June 27 at 7:00 pm. The meeting will be at OCCC in room N330. There is no bus running, but if you have a car, you can park for free all day on Monday. I cannot guarantee transportation tomorrow, so Uber/Lyft with your friends.

Referees who have not yet checked in yet can come at 6:00 pm for check-in.

We hope to see everyone again next year for the 50th Anniversary of the AAU National Volleyball Championships.
