

AAU Hotel and Roommate Information (emailed 5-1-23)

This mailing is a general information document. Some of the information might be relevant to you, some of it might not be. No response is necessary if no changes need to be made.

Thank you for being part of this momentous event!! Almost 5000 girls teams are registered and 975 boys teams.

### **AAU EARLY HOTEL (June 10 – 12 only)**

If you are arriving earlier than Tuesday June 13, you will have to secure and pay for your own housing. I apologize but the new hotel complex does not have any extra housing available before June 13 (we'll make better plans next year).

[Use this link](#) to search for some options that were offered to the teams. If you decide to use one of these hotels, you MUST enter a team name. For the team name, you MUST enter '[Sue Mailhot](#)'. You can also look for rooms on your own. I know this is not the best, but I'm trying to give you some close-by options.

**DO NOT UNDER ANY CIRCUMSTANCES MAKE A ROOM RESERVATION FOR BEYOND TUESDAY JUNE 13.** If you make an additional reservation, you are responsible for the cost and your reservation that is paid for by AAU will be cancelled.

### **AAU ROOMMATE INFORMATION**

A list of attending referees can be accessed [through this link](#). Check to see if your friends are on the list. If their name is not listed, then they have not registered in AES nor completed the request for additional information. If you requested a specific roommate, make sure both of your dates are the same. If they are not the same, you can look for another roommate or one of you can pay for the extra night. If you feel any of your information is a mistake, you should contact me at [omnevb@gmail.com](mailto:omnevb@gmail.com). If your roommate (or friends) are not listed, you should contact them to make sure they register. I must turn in hotel reservations by May 5.

If you do not have a preference for a roommate, I will assign one to you.

If you already noted a roommate on your information form, there is nothing for you to do. But if you are still looking for a roommate and find someone on this list who could be acceptable, just let me know who that is. If you want to contact that person in advance, contact me and I will give you their contact details. A simple email to [omnevb@gmail.com](mailto:omnevb@gmail.com) with your preferred roommate choice will be fine.

Many of these names might already have a roommate selected. The highlighted names do not mean anything to this message. This information is extracted and viewable in 'real' time. All updates are immediate.

If you register after May 1, I cannot guarantee you a specific roommate or other specific hotel requirements.

### **CONFLICTS**

If you entered a 'conflict' in AES, that information did not transfer over to the assigning system we are using. You MUST re-enter the conflict on the Schedule/Conflict form that is located on [omnevb.net](http://omnevb.net). This form is only meant for scheduling issues. If you have a hotel or clothing issue, there is a separate form for that. The hotel/clothing form will not be available until June 13.

**All information that I send is important and all documents can be found on [omnevb.net](http://omnevb.net)**
